Smart learning plan (onboarding)

Dear Ivan,

Thank you for participating in our Entrepreneurship Training Course! Below is your plan to build the foundational skills you currently rate as beginner.

Essential learning topics and materials

1 Making a Business Plan

To be able to make an effective business plan, you'll need some basic knowledge and training on them. Learning Resources: Try HubSpot's free "Business Plan Template" and review tutorials on creating business plans on LinkedIn Learning. Practice Tip: Draft a mini-business plan, focusing on basic sections such as vision, goals, target audience, and financial projections. You can use generative AI to assist you.

2 Running a Business

To be able to consider all aspects of running a successful business, you'll need some basic knowledge and training on them. Learning Resources: SBA.gov and Small Business Development Centers (SBDCs) offer beginner resources for business management. Practice Tip: Study case studies on small business operations and identify essential operational processes. You can use generative AI to assist you.

3 Branding and Marketing

To be able to start successfully marketing your business, products and services, you'll need some basic knowledge and training on marketing essentials. Learning Resources: Coursera's "Marketing in a Digital World" or free Google Ads and Facebook Blueprint courses are great starting points. Practice Tip: Develop a simple ad for a hypothetical product and run it on a small budget to understand basics in digital advertising. You can use generative AI to assist you.

We are glad to have you onboard :) If you have any questions, please contact teachers.
